Dated, 11th October, 2024

Subject: Draft Phased Manufacturing Program (PMP) for e-2W, e-3W, e-Buses and EV chargers (For Stakeholder comments)

The Ministry of Heavy Industries, Government of India, has notified the 'PM Electric Drive Revolution in Innovative Vehicle Enhancement (PM E-DRIVE) Scheme' through Gazette Notification S.O. 4259 (E) on September 29, 2024, with a total outlay of ₹10,900 crore.

Under the scheme, Electric Vehicles and EV Chargers must be manufactured according to the Phased Manufacturing Program (PMP) guidelines issued by the Ministry from time to time.

In this context, a draft Phased Manufacturing Program (PMP) guidelines for e-2W, e-3W, e-Buses, and EV chargers has been prepared by a Committee of Directors from Testing agencies viz. ARAI, ICAT, NATRAX and GARC. Based on the feedback received from various stakeholders, including EV OEMs, charger OEMs and charge point operators, these guidelines have been revised.

A draft version of the Phased Manufacturing Program (PMP) guidelines has been uploaded on <https://pmedrive.heavyindustries.gov.in> to seek inputs from all stakeholders. You are requested to provide your comments and suggestions on the draft guidelines via email at dsem-mhi@gov.in within 10 days of the issuance of this draft.

Encl: As above.
